

ISLINGTON COMMUNITY ENERGY FUND (STREAM 2a/2b) APPLICATION GUIDANCE NOTES

To assist you we have provided the following guidance notes explaining what information you will need to include when answering some of the questions in your application.

Pre-Application Questions	Guidance Notes
Is your organisation/ main activity based in London Borough of Islington?	Organisations/ community groups applying for funding should either work or be based in the London Borough of Islington. Please check Islington borough boundaries here: https://www.islington.gov.uk/map
Is your organisation/group non-for profit	Community Interest Companies and Social Enterprises will only be eligible for a Islington Community Energy Fund (ICEF) grant if they operate on wholly not-for-profit basis and meet the following criteria: <ul style="list-style-type: none"> ▪ 100% of surplus income is re-invested into the organisation ▪ The organisation does not have a 'profit distribution' clause in its governing documents, which allows it to pay Executive Directors as shareholders. Executive Directors must operate in a voluntary capacity.
Does your organisation have a charitable aim?	<p>What is a charitable purpose/aim?</p> <p>For the purposes of this process we have defined charitable under the following 11 headings:</p> <ol style="list-style-type: none"> 1. The prevention or relief of poverty 2. The advancement of education 3. The advancement of employment 4. The advancement of health 5. The advancement of citizenship or community development 6. The advancement of the arts, culture, heritage or science 7. The advancement of human rights, conflict resolution or reconciliation or the promotion of religious or racial harmony or equality and diversity 8. The advancement of environmental protection or improvement 9. The relief of those in need, by reason of youth, age, ill-health, disability, financial hardship or other disadvantage 10. The promotion of energy efficiency 11. Any other purposes currently recognised as charitable or which can be recognised as charitable by analogy to, or within the spirit of, purposes falling within (1) to (10) or any other purpose recognised as charitable under the law of England and Wales

<p>Do you work in partnership with residents that are most likely to be affected by Fuel Poverty in the borough?</p>	<ul style="list-style-type: none"> ▪ Partnership has to be established between the partners and have established legal basis. ▪ Groups most affected by Fuel Poverty include those who are: <ul style="list-style-type: none"> - pensioners - vulnerable - disabled - unemployed - families with children - people on low income - people in risk of fuel poverty
<p>Do you currently run an existing energy project?</p>	<p>Please tell us about any projects you are running at present. You should include:</p> <ul style="list-style-type: none"> ▪ a brief outline of your existing project ▪ when is expected to end ▪ how is it funded
<p>Are you applying to ICEF to start a new energy project or activity?</p>	<p>ICEF Stream 2a/2b funding is for new projects or areas of activity. We cannot fund business as usual applications.</p>

Your Project Section	Guidance Notes
<p>Please provide an overview of your project</p>	<p>Please outline your overall project brief:</p> <ul style="list-style-type: none"> ▪ What is your project about? ▪ What you planning to achieve through this project?
<p>Please tell us what your project objectives are and how you will measure whether or not these have been met</p>	<ul style="list-style-type: none"> ▪ Please give us your project goals ▪ Please give us a description of your project outcome ▪ Please give us an examples of how will you measure the success of you project <ul style="list-style-type: none"> ▪ The project should either generate renewable energy or reduce energy consumption. <ul style="list-style-type: none"> - Renewable energy is energy which is collected from renewable resources and is naturally replenished in a human timescale such as sunlight, wind and geothermal heat. - Projects generating heat or electricity in community buildings or across multiple domestic properties will be considered. - Projects which benefit a single household will be considered but need to show a significant level of innovation and define clearly how that household will be fairly selected from a fuel poor group <p>NB: We are not providing a list of all technologies, however innovative technologies are welcome.</p>
<p>Please give three reasons why your project might not be completed on time or lead to formal project proposal under stream 2a/2b?</p>	<ul style="list-style-type: none"> ▪ Please give us reasons why your project might not be completed on time, for example: force majeure, shortage of staff, lack of funding, etc. ▪ We would like to see that you have thought about the possible technical barriers to your project and have put in place reasonable measures to ensure the project is delivered.
<p>Development costs</p>	<ul style="list-style-type: none"> ▪ Please ensure that the 'Total Amount of Islington Community Energy Fund requested' added to the 'Total amount of match funding' equals the total cost of the project. ▪ A maximum grant of £15,000 is available for capital projects such as retrofit and renewable energy projects.
